

## Silhouette Child Safety Signs

Helping to control speeding in neighbourhoods, or other areas with a high concentration of children, these life sized and realistic images send a powerful message to motorists.

### PRODUCT SPECIFICATIONS

- Made from 6mm Aluminum Composite or 10mm Corrugated Plastic
- Can be either single or double sided (*double sided would be mirrored on second panel*)
- Pre-drilled mounting holes included for mounting to any style of post
- Custom messages available upon request
- Can be converted to free-swing by removing springs
- Strap to post, bolt thru sign mounting
